

Puget Sound Skills Center

PSSC Core Values

Teamwork

We accomplish our goals and build on our individual strengths through communication, cooperation, and collaboration.

We:

- team proactively as a staff and model teamwork to students.
- recognize, acknowledge, and honor the accomplishments of the team.
- give support to each other during the more difficult moments of our jobs.
- create opportunities to get to know each other.
- resolve conflicts as they occur.

Humor

We use humor to create a fun safe place for all to learn .

We:

- smile.
- are willing to laugh together and at ourselves.
- find ways to put humor in each day.
- use humor as a means to relieve stress and keep things in perspective.
- perceive, express, and enjoy what is amusing and not hurtful.
- laugh at situations, not people.

Work

We equip our students to perform skills competently, preparing them to succeed in the workplace.

We:

- model professionalism in attitude and service.
- apply current industry standards to classroom activities.
- involve industry professionals in curriculum development and assessment of student learning.
- seek partnerships with higher education, business, labor and industry to enhance our students' employment or workplace opportunities.
- have reasonable expectations of ourselves and others.
