Photo Publication Release 2011-2012

Student's Name: _____

School: Puget Sound Skills Center

Opportunities sometimes arise for your child to be photographed and/or videotaped at school or at school activities. Use of such photographs includes, but is not limited to:

- School or school district publications.
- School or school district Website.
- News media stories on school programs or activities.
- School yearbooks.
- School slide shows, DVDs, or videos.

When these opportunities occur, the student's image may be accompanied by his/her first and last name, classroom work, and information regarding the student's participation in a program or activity.

Please indicate whether or not you want your child's photograph to be published for the uses described above, then sign this form and return it to school. Check one box below.

- I give permission for my child's photograph to be published.
 I do not want my child's photograph to be published.
